## DIRECTORS' REPORT

To

The Members of,

**VOLTAIRE LEASING & FINANCE LIMITED**

Your Directors have pleasure in presenting the 34<sup>TH</sup> Annual Report of your Company together with the Audited Statements of Accounts for the year ended March 31, 2018.

### FINANCIAL RESULTS:

A summary of the Financial Performance of your company and its major associates, for the financial year ended March 31, 2018 is as under:

(`in Lakhs)

Particulars	Current Year Ended on 31 <sup>st</sup> March, 2018	Previous Year Ended on 31 <sup>st</sup> March, 2017
Operating Revenue	112.59	216.62
Others Income	0.98	5.77
Total Revenue	113.57	222.38
Total Expenditure	106.48	267.22
Profit/(Loss) before Taxation	7.09	-44.83
Provision for Taxation (including Deferred Tax)	1.52	1.03
Profit/(Loss) after Taxation	5.57	-45.86
Balance Carried forward to Balance Sheet	5.57	-45.86

### MICROECONOMIC OVERVIEW

Growth is increasing, making India the fastest-growing G20 economy. Investment and exports, supported by the smoother implementation of the new goods and services tax (GST), are becoming major growth engines. Inflation will hover within the target band, with upside risks reflecting rising oil prices and an increase in housing allowance for public employees. The current account deficit will increase. Job creation in the formal sector will remain sluggish, leaving the vast majority of workers in low-productivity, lowpaid activities.

Fiscal and monetary policies are projected to remain broadly neutral. To reduce the relatively high public debt-to-GDP ratio, containing contingent fiscal liabilities is key, including through better governance of public enterprises. Better risk assessment in banks would allow allocating financial resources to the best projects and avoiding a new increase in non-performing loans. Investing more in education and training, combined with a modernisation of labour laws, would help create better jobs and make growth more inclusive.

### OVERALL PERFORMANCE & OUTLOOK

Gross revenue from operations for the year stood at Rs. 113.57 lakh in comparison to last years' revenue of Rs 222.38 lakh. During the current financial year, the Company has earned a Net Profit, of Rs. 5.57 lakh in comparison to last years' net loss of Rs. (45.86) lakh.

During current financial year, the Company has operated in Financing and finance and investments.

### PARTICULARS OF LOANS, GUARANTEES OR INVESTMENTS

Details of Loans, Guarantee and investments if any, covered under the provisions of section 186 of the Companies Act, 2013 are given in the notes of the Financial Statements.

## **INDEPENDENT AUDITORS' REPORT**

**To the Members of  
Voltaire Leasing & Finance Limited**

### **Report on the Ind AS Financial Statements**

We have audited the accompanying Ind AS Standalone financial statements of **VOLTAIRE LEASING & FINANCE LIMITED (CIN – L74110MH1984PLC033920)** (“the Company”), which comprise the Balance Sheet as at 31 March 2018, the Standalone Statement of Profit and Loss (including Other Comprehensive Income), Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and a summary of the significant accounting policies and other explanatory information (herein after referred to as “Ind AS financial statements”).

### **Management's Responsibility for the Ind AS Financial Statements**

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 (“the Act”) with respect to the preparation of these Ind AS financial statements that give a true and fair view of the financial position, financial performance (including other comprehensive income) cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act, read with relevant rules issued thereunder.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

### **Auditors' Responsibility**

Our responsibility is to express an opinion on these Ind AS financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder and the Order issued under section 143(11) of the Act.

We conducted our audit of the Ind AS financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the Ind AS financial statements are free from material misstatement

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the Ind AS financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Ind AS financial statements.

## **Opinion**

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March, 2018, and its Profit, total comprehensive income, the changes in equity and its cash flows for the year ended on that date.

## **Report on Other Legal and Regulatory Requirements**

1. As required by Section 143(3) of the Act, based on our audit report we report that:
  - a) We have sought and, obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
  - b) in our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
  - c) The balance sheet, the statement of profit and loss, including other comprehensive income, the cash flow statement and statement of changes in equity dealt with by this Report are in agreement with the books of account;
  - d) In our opinion, the aforesaid Ind AS financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act, read with relevant rules issued thereunder.
  - e) On the basis of written representations received from the directors as on 31 March 2018 taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2018, from being appointed as a director in terms of Section 164(2) of the Act;
  - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "**Annexure A**"; and

- g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 as amended, in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company has disclosed the impact, if any, of pending litigation as at March 31, 2018 on its financial position in its financial statements.
  - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses under the applicable law or accounting standards;
  - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company, if any; and
2. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of Section 143(11) of the Act, we give in the "**Annexure-B**" a statement on the matters specified in paragraphs 3 and 4 of the Order.

## **ANNEXURE 'A' TO THE INDEPENDENT AUDITORS' REPORT**

**(Referred to in paragraph 2(f) under the heading  
'Report on Other Legal and Regulatory Requirements' of our report of even date)**

### **Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of **Voltaire Leasing & Finance Limited** ("the Company") as of 31 March 2018 in conjunction with our audit of the Ind AS Standalone financial statements of the Company for the year ended on that date.

#### **Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### **Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

## **Meaning of Internal Financial Controls over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

## **Inherent Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

## **Opinion**

In our opinion, to the best of our information and according to explanation given to us, the Company has maintained, in all material respects, adequate internal financial controls over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2018, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

It is a Public limited company by its shares. The company has main project to carry on the business of finance and trading, hire purchase, leasing and to finance leasing operations of all kinds, purchasing, selling, hiring or letting on hire all kinds of plants & machinery and equipment. The company is also currently involved in financing activities which are proprietary in nature.

#### 2 Basis of preparation of financial statements

These financial statements, for the year ended 31 March 2018 and 31 March 2017 are prepared in accordance with Ind AS. For periods up to and including the year ended 31 March 2017, the Company prepared its financial statements in accordance with accounting standards notified under section 133 of the Companies Act 2013, read with relevant rules issued thereunder.

Accordingly, the Company has prepared financial statements which comply with Ind AS applicable for periods ending on 31 March 2018, together with the comparative period data as at and for the year ended 31 March 2017, as described in the summary of significant accounting policies. In preparing these financial statements, the Company's opening balance sheet was prepared as at 1 April 2016, the date of transition to Ind AS. This note explains the principal adjustments made by the Company in restating its Indian GAAP financial statements, including the balance sheet as at 1 April 2016 and the financial statements as at and for the year ended 31 March 2017.

#### 3.01 Functional and presentation currency

Items included in the financial statements of Company are measured using the currency of the primary economic environment in which the Company operates ("the functional currency"). Indian rupee is the functional currency of the Company.

#### 3.02 First-time adoption of Ind AS

Ind AS 101 requires that all Ind AS effective for the first Ind AS financial statements, be applied consistently and retrospectively for all fiscal years presented. However, this standard has some exception and exemption to this general requirement in specific cases. The application of relevant exception and exemption are:

##### Exceptions to retrospective application of other Ind AS

- a) **Estimates:** An entity's estimates in accordance with Ind AS at the date of transition to Ind AS shall be consistent with estimates made for the same date in accordance with previous GAAP (after adjustments to reflect any difference in accounting policies), unless there is an objective evidence that those estimates were in error.
- b) **Ind AS 109-Financial Instruments (Derecognition of previously recognised financial assets / financial liabilities):** An entity shall apply the derecognition requirements in Ind AS 109 in financial instruments prospectively for transactions occurring on or after the date of transition. The Company has applied the derecognition requirements prospectively.
- c) **Ind AS 109-Financial Instruments (Classification and measurement financial assets):** Classification and measurement shall be made on the basis of facts and circumstances that exist at the date of transition to Ind AS. The Company has evaluated the facts and circumstances existing on the date of transition to Ind AS for the purpose of classification and measurement of financial assets and accordingly has classified and measured the financial assets on the date of transition.

##### Exemptions from retrospective application of Ind AS

- a) **Ind AS 40 Investment Property :** If there is no change in the functional currency an entity may elect to continue with the carrying value for all of its investment property as recognised in its Indian GAAP financial statements as deemed cost at the date of transition.
- b) **Ind AS 27 Separate financial statements:** An entity is required to account for its investments in subsidiaries, joint ventures and associates either:
  - (a) at cost; or
  - (b) in accordance with Ind AS 109. Such cost shall be cost as per Ind AS 27 or deemed cost. The deemed cost of such an investment shall be its fair value on the date of transition to Ind AS or Previous GAAP carrying amount at that date. The Company has elected to measure its investment in subsidiaries at deemed cost being carrying value as previous GAAP.
- c) **Ind AS 17 Leases:** An entity shall determine based on facts and circumstances existing at the date of transition to Ind AS whether an arrangement contains a Lease and when a lease includes both land and building elements, an entity shall assess the operating lease. The Company has used this exemption and assessed all arrangements based on conditions existing as at the date of transition.

## VOLTAIRE LEASING & FINANCE LIMITED

### Notes to the Standalone Financial Statements for the year ended 31 March 2018

- d) **Ind AS 109-Financial Instruments:** Ind AS 109 permits an entity to designate a financial liabilities and financial assets (meeting certain criteria ) at fair value through profit or loss. A financial liability and financial asset shall be designated at fair value through profit or loss, on the basis of facts and circumstances that exist at the date of transition.

#### 3.03 Use of estimates

The preparation of financial statements in conformity of Ind AS requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, the disclosures of contingent assets and contingent liabilities at the date of financial statements, income and expenses during the period. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and in future periods which are affected.

Application of accounting policies that require critical accounting estimates and assumption having the most significant effect on the amounts recognised in the financial statements are:

Valuation of financial instruments  
Valuation of derivative financial instruments  
Useful life of property, plant and equipment  
Useful life of investment property  
Provisions  
Recoverability of trade receivables

#### Summary of significant accounting policies

##### 3.04 Current versus non-current classification

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification. An asset is treated as current when it is:

- Expected to be realised or intended to be sold or consumed in normal operating cycle
- Held primarily for the purpose of trading
- Expected to be realised within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle
- It is held primarily for the purpose of trading
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. The Company has identified twelve months as its operating cycle.

##### 3.05 Fair value measurement

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities

Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.

Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

The Company's Management determines the policies and procedures for both recurring fair value measurement, such as derivative instruments and unquoted financial assets measured at fair value, and for non-recurring measurement, such as assets held for distribution in discontinued operations.

At each reporting date, the Management analyses the movements in the values of assets and liabilities which are required to be remeasured or re-assessed as per the Company's accounting policies. For this analysis, the Management verifies the major inputs applied in the latest valuation by agreeing the information in the valuation computation to contracts and other relevant documents.

The Management also compares the change in the fair value of each asset and liability with relevant external sources to determine whether the change is reasonable.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

This note summarises accounting policy for fair value. Other fair value related disclosures are given in the relevant notes.

## VOLTAIRE LEASING & FINANCE LIMITED

### Notes to the Standalone Financial Statements for the year ended 31 March 2018

#### 3.06 Revenue recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government.

##### Revenue from sale of goods

Revenue from domestic sales is recognised when goods are delivered to the customer and the title of goods passes to the customers.

##### Interest and dividend income

The interest and dividends are recognised only when no uncertainty as to measurability or collectability exists. Interest on fixed deposits (if any) is recognised on time proportion basis taking into account the amount outstanding and the rate applicable.

#### 3.07 Inventories:

- iv) Traded goods and stores and spares are valued at the lower of cost or net realisable value. Cost is determined on FIFO basis.

#### 3.08 Foreign currency transactions and translation (if any)

- i) Transactions in foreign currencies are recorded at the exchange rate prevailing on the date of transaction. Monetary assets and liabilities denominated in foreign currencies are translated in functional currency at closing rates of exchange at the reporting date.
- ii) Exchange differences arising on settlement or translation of monetary items recognised in statement of profit and loss.
- iii) The Company is primarily engaged in business of imports and exports of diamonds and jewellery. It has availed foreign currency denominated credit facilities for the purpose of its export and import business. As the Company enters into business transactions based on the prevailing exchange rate, forward premium and other related factors, the gain/(loss) on this account is considered to be an integral part of the operations of the Company in accordance with industry practice and to avoid distortion of operating performance.

#### 3.09 Taxes

##### Current income tax

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The Company determines the tax as per the provisions of Income Tax Act 1961 and other rules specified thereunder.

Current income tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Current tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

##### Deferred tax

Deferred tax is provided in full using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax liabilities are recognised for all taxable temporary differences, except:

When the deferred tax liability arises from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss.

Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised, except when the deferred tax asset relating to the deductible temporary difference arises from the initial recognition of an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Deferred tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

## VOLTAIRE LEASING & FINANCE LIMITED

### Notes to the Standalone Financial Statements for the year ended 31 March 2018

#### 3.10 a) Property, plant and equipment

Property, plant and equipment is stated at cost less accumulated depreciation and where applicable accumulated impairment losses. Property, plant and equipment and capital work in progress cost include expenditure that is directly attributable to the acquisition of the asset. The cost of self-constructed assets includes the cost of materials, direct labour and any other costs directly attributable to bringing the asset to a working condition for its intended use, and the costs of dismantling and removing the items and restoring the site on which they are located. Purchased software that is integral to the functionality of the related equipment is capitalized as part of that equipment.

When parts of an item of property, plant and equipment have different useful lives, they are accounted for as separate items (major components) of property, plant and equipment.

#### Subsequent Cost

The cost of replacing part of an item of property, plant and equipment is recognised in the carrying amount of the item if it is probable that the future economic benefits embodied within the part will flow to the Company and its cost can be measured reliably. The carrying amount of the replaced part is de-recognised and charged to the statement of Profit and Loss. The costs of the day-to-day servicing of property, plant and equipment are recognised in the Statement of Profit and Loss.

#### b) Intangible assets

Intangible assets are stated at cost less accumulated amortisation and impairment loss. The system software which is expected to provide future enduring benefits is capitalised. The capitalised cost includes license fees and cost of implementation/system integration.

#### Depreciation and amortisation

The depreciation on tangible assets except windmill is calculated on WDV method over the estimated useful life of assets prescribed by the Schedule II to the

Asset class	Useful life as per management
Plant and machinery:	15 years
Office equipment	5 years
Computers	3 years
Vehicles	8 years
Furniture and fixtures	10 years
Electrical installation	10 years
Office premises	60 years
Residential premises	60 years
Factory Building	30 years

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

#### Derecognition of assets

An item of property plant & equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset is included in the income statement when the asset is derecognised.

#### 3.11 Contingent liabilities

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the company or a present obligation that is not recognised because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognised because it cannot be measured reliably. The contingent liability is not recognised in books of account but its existence is disclosed in financial statements.

#### 3.12 Impairment of non-financial assets

The Company assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or Company's assets. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

#### 3.13 Provisions

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. When the Company expects some or all of a provision to be reimbursed the reimbursement is recognised as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the statement of profit and loss net of any reimbursement.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

Notes to the Standalone Financial Statements for the year ended 31 March 2018

**3.14 Financial instruments**

**Initial recognition**

The company recognise the financial asset and financial liabilities when it becomes a party to the contractual provisions of the instruments. All the financial assets and financial liabilities are recognised at fair value on initial recognition, except for trade receivable which are initially recognised at transaction price. Transaction cost that are directly attributable to the acquisition of financial asset and financial liabilities, that are not at fair value through profit and loss, are added to the fair value on the initial recognition.

**Subsequent measurement**

**(A) Non derivative financial instruments**

**(i) Financial Assets at amortised cost**

A financial assets is measured at the amortised cost if both the following conditions are met :

- The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

This category is the most relevant to the Company. All the Loans and other receivables under financial assets (except Investments) are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market. Trade receivables do not carry any interest and are stated at their nominal value as reduced by impairment amount.

**(ii) Financial Assets at Fair Value through Profit or Loss/Other comprehensive income**

Instruments included within the FVTPL category are measured at fair value with all changes recognised in the Statement of Profit and Loss.

If the company decides to classify an instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognised in the OCI. There is no recycling of the amounts from OCI to P&L, even on sale of investment. However, the company may transfer the cumulative gain or loss within equity.

**(iii) Financial liabilities**

The measurement of financial liabilities depends on their classification, as described below:

**(a) Loans and borrowings**

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the effective interest rate (EIR) method.

**(b) Trade & other payables**

After initial recognition, trade and other payables maturing within one year from the Balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

**Derecognition**

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit or loss.

**3.15 Cash and cash equivalents**

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand.

For the purpose of the statement of cash flows, cash and cash equivalents consist of cash.

**3.16 Employee Benefits**

The payment of Gratuity Act, 1972 is not applicable to the compnay as the number of permanent employees in the compnay are below the requisits limit difined in the act at any point of the time during the Financial year and none of the Employee having continued service of more than 5 years.

**3.17 Lease**

Operating lease:

Lease of assets under which all the risk and rewards of ownership are effectively retained by the lessor are classified as operating lease. Lease payments / revenue under operating leases are recognised as an expense / income on accrual basis in accordance with the respective lease agreements.

**3.18 Earnings per share**

Basic and diluted earnings per share are computed by dividing the net profit attributable to equity shareholders for the year, by the weighted average number of equity shares outstanding during the year.

### Fair value hierarchy

**Level 1** - Quoted prices (unadjusted) in active markets for identical assets or liabilities

**Level 2** - Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

**Level 3** - Inputs for the assets or liabilities that are not based on observable market data (unobservable inputs).

The following table presents fair value hierarchy of assets and liabilities measured at fair value on a recurring basis as of 31 March 2018:

There have been no transfers among Level 1, Level 2 and Level 3 during the period.

The management assessed that cash and cash equivalents, Trade receivable and other financial asset, trade payables and other financial liabilities approximate their carrying amount largely due to short term maturity of these instruments.

#### Financial risk management objectives and policies

The risk management policies of the Company are established to identify and analyse the risks faced by the Company, to set appropriate risk limits and controls, and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Company's activities.

The Management has overall responsibility for the establishment and oversight of the Company's risk management framework.

In performing its operating, investing and financing activities, the Company is exposed to the Credit risk, Liquidity risk and Market risk.
